Dear Parents,

Hope you and your loved ones are taking all the necessary precautions to stay safe from the great threat that Covid19 poses.

This mail intends to give parent fraternity an overview of how the school intends to keep its students positively engaged during lockdown period.

As you might be already aware that from the 1st of April, we have started conducting Online Learning Sessions for our students. The online sessions revolve around 3 broad areas:

- a. Syllabus completion
- b. Student engagement
- c. Wellness

Our School is fortunate to have access to effective online learning resources, enabling us to continue education remotely using technological solutions. We are trying our best to maintain a 'continuity of education' via online technology and most parents we have spoken to understand that this is the only viable option to engage our students in an effective way.

For your convenience the school had from past year itself switched to **ONLINE MODE OF FEE PAYMENT**. The step by step process for hassle free payment is as under:

1. Visit website **www.dashmeshschool.com**.
2. Click - **Shalimar Garden**
3. Click - **Pay Fee** (on right top)
4. Enter **Admission Number** of student.
5. Click - **Get Bill**
6. Check particulars and click - **Pay**
7. Choose mode of payment and click - **Pay Now**
8. Download receipt.

We would like to end this letter with the prayer -

“May all of us be granted the serenity to accept the things we cannot change, courage to change the things we can, and wisdom to know the difference.”

Take Care and Stay Safe!

Regards
