

DASHMESH PUBLIC SCHOOL
CIRCULAR
CLASSES: - IX-XII

Date: - 09-04-2020

Dear Parents,

Greetings from Dashmesh Public School!

Hope that you are taking care of yourself and the health of your loved ones. We at Dashmesh Public school kept taking the initiatives to ensure that our children are meaningfully engaged. We are expecting that from you too i.e. to **“TURN this lockdown time into Family Bonding Time.”**

When children feel that they are valued by their parents they feel more positive about themselves. Each child expects one important thing from their parents and that is **TIME**. Divert your mind from all the worries/tensions of COVID-19 and start utilizing this crucial time to connect with your child. This is the time when we can create happy memories with them which due to our otherwise hectic schedules seemed a remote possibility. We would once again urge you to constructively utilize this time and build new arteries within homes/families to rediscover the bond and find your child's unique abilities and interests.

Here we are giving links for some e-learning platforms provided by MHRD. Ensure your ward visits these links to effectively use lockdown period for self improvement
